**Accessible Portable Washrooms** – Two additional accessible portable washroom units have been added – one at the end of First Avenue near Bridge Street, and the second on Lundy’s Lane near Main Street in the municipal parking lot (bottom of Drummond Hill), to better serve those in need. The other four are located at Victoria Avenue branch of the Niagara Falls Public Library in the rear parking lot, and at the Park Street Municipal Parking lot (former Farmers Market). All six units are serviced and sanitized on a daily basis. Opening hours for the units have changed and will now be available 24 hours a day/seven days a week. This is for a trial period until further review.

**Shower Facilities** – Showers will be offered at Oakes Park Monday, from 7 am - 10 am. Towels and toiletries will be provided, and washrooms will be cleaned and maintained daily. Contracted security staff will be on site to monitor access/egress from 6:45 am to 10:15 am daily. The facility will be locked at all other times.

**Garbage Bins and Sharps Containers** - Additional garbage bins and sharps containers will be placed at the main encampments and at portable washroom locations, to be maintained by City Municipal Works Staff and Regional staff respectively.
